

IMMERSION SEPARATOR WET MIX VACUUM CLEANER (ELECTRIC)

The Immersion Separator Wet Mix Vacuum Cleaner from Diversitech is designed to safely vacuum explosive, combustible liquids and dusts. Our immersion separator system neutralizes explosive, conductive, and combustible dusts by submerging them into a neutralizing liquid bath, rendering them inert and eliminating any risk of fire or explosion.

Our explosion/dust ignition-proof vacuums comply with NFPA 484 guidelines and are an effective tool for good housekeeping practice as per OSHA.

All the electrical components, including the motor and starter, are totally enclosed so there is no source of ignition. Our explosion/dust ignition proof vacuums are completely grounded and static dissipating because they are built entirely with non-sparking metals.

Features:

- Single-phase explosion-proof motor
- Durable stainless steel construction
- Integrated Immersion Separator
- Static dissipating ESD safe
- Drain valve assembly with level indicator
- Complete with static dissipating suction hose and accessories
- Removable Collection Tank (RCT) system makes it easy to empty and clean
- Stainless steel storage bin for hose and accessories
- HEPAPlus filtration 99.995% @ 0.2 micron
- 3-year warranty

Included Accesories:

- Static dissipating suction hose assembly 1.5" x 10'
- Double bend wand
- Floor tool
- Crevice tool
- Round brush

Filtration System:

- Washable conductive ESD safe filters
- HEPAPlus filtration 99.995% @ 0.2 micron
- Stainless steel mist eliminator

Air Flow (CFM)	142
Vacuum Pressure (H2O)	68
Collection Type	Dry
Capacity	5 gallons
Peak Air Watts	321
Power	120V, 50/60Hz, 12A (1300 Watts)
